

Helping Entrepreneurs Stand Out

Businesses face challenges every day. We help meet them.

Every business can benefit from professional assistance from an outside advisor to fill in missing expertise. Glennoe helps prepare and assist in business strategies, business development, succession planning, or the sale of a private business.

We help accelerate growth.

Glennoe has over four decades of experience managing businesses and advising privately held companies. We meet objectives, build business relationships, create advisory boards, and extend community engagement.
